

Formed in the spring of 2002 **The Power Connection** was the vision of band leader **Dan Shaer**. Dan's extensive list of musical accomplishments includes; touring North America and Europe as a professional musician and bandleader throughout the 70's and 80's, and working as a professional studio musician and musical arranger. Dan is the founder and conductor of the famous **Music of Your Life Orchestra** and has two degrees in music from **Queen's University** in Kingston.

The Power Connection is the culmination of over 10 years of efforts to acquire the original musical arrangements as performed by the original groups. Specializing in the sounds of; ***Blood, Sweat & Tears, Chicago, and Lighthouse*** they also perform the hits of **Carol King, Santana, Tower of Power, Steely Dan, and the Ides of March**.

The late **60's** and early **70's** was an amazing time in the development of music. Starting with **The Beatles** adventurous spirit by introducing a horn section to rock music (Got To Get You into My Life) and inspiring young musicians everywhere to run with this new style of Rock & Roll and the resulting formation of Chicago, Lighthouse and Blood, Sweat & Tears - the face of music was about to change forever!

The Power Connection performs a tribute to the music of the early **Rock Horn Band era**. This 12 piece band (including **5 horns, rhythm section and 4 lead vocalists**) will take you back to a time when music was alive and full of magic and imagination. This combination of **Blues, Rock & Roll and Jazz** appeals to audiences of all ages. Bringing back great memories for those who grew up with this music and creating new memories for a new generation who grew up listening to their parents' music.

In the spring of 2006 The Power Connection will be launching a new one hour show set of the musicals of this same time period including; **Hair, Godspell, Tommy and Jesus Christ Superstar** complete with multimedia projections on a large 9 X 12 screen.

**The Power Connection** is the ideal show for festivals, conventions and concerts.  
**The musical experience of a lifetime.**
